Simpson Manufacturing has a corporate rate program in place with Cendant Car Rental Group - Avis as a preferred supplier of car rental services. The program that Avis has extended to us means cost savings and convenience when renting a car for business or leisure travel. It also includes discounts of up to 20% for International rentals.

The Avis Worldwide Discount number for Simpson Manufacturing is: D152500

This number should always be used when renting a car from Avis because it references our negotiated corporate rates. All of the following services can be accessed by this link:

To take advantage of the program, simply click on the link above and complete a Preferred Renter application. With electronic submission, Avis is making it as easy as possible for you to save time by sending it back to them online.

Avis Leisure Pass

Another feature of our corporate program are attractive weekend and weekly rates with Avis. To check out these rates either call Avis at 1-800-331-1212 or go to www.avis.com. Be sure to use our Avis Leisure Pass AWD# which is D152590. Again, Leisure Pass can be accessed via the link above as well.
