

## Do What You Can Day

Our 6th annual "Do What You Can" (DWYC) Day event is on **Wednesday, November 3, 2021**. This year we are celebrating our company's 65th anniversary!

Company Value #8 - Give Back is our theme for the celebration. We will be featuring photos and videos from employees about what they do to give back to their local communities. To submit your photo or video (2 minutes max), [click here](#).

On Do What You Can Day, we'll be doing give back activities in-person at the branches and at home for those who are working from home.

Do What You Can Day is a celebration and commitment to Barc Simpson's principle of giving back to others and Company Value #8, Give Back. As Barc said, "We're all connected in some way and are all part of a greater community. . . Help out your neighbor, make time for others, do what you can."
