### Accident Insurance

*Provided by Voya*

Accidents may happen. Many people are not prepared to cover all the out-of-pocket medical expenses that may go along with an unexpected trip to the emergency room. Accident insurance offers benefits to help with these expenses, regardless of any other insurance you may have. Spouse and eligible children also qualify for this coverage.

### Critical Illness Insurance

*Provided by Voya*

With today's medical advances, the chance of surviving a covered critical illness is much greater than in the past. Coping with the costs associated with these illnesses, however, can be difficult. Critical Illness insurance can help provide financial security if you are diagnosed with a covered critical illness.

### Legal Insurance

*Provided through ARAG®*

Many things in life are connected by legal — from the everyday to once-in-a lifetime. Some legal situations you plan for, like creating a will, and others are more unexpected, like dealing with a traffic ticket. With ARAG® legal insurance, network attorney fees are 100% paid in full for most covered matters.

### Hospital Indemnity Insurance

*Provided by Voya*

With Hospital Indemnity Insurance, you receive cash benefits paid directly to you for covered hospital stays to help offset the hospital bill, take care of day-to-day expenses, or pay for anything else you need. Plus, this insurance offers advantages like no coinsurance or waiting periods and the option to continue your coverage if you leave Simpson Strong-Tie.
